Children's Online Privacy Policy

G.A.P. Federal Credit Union provides the kids' section (Kidz/Students) of its website for the convenience and education of the children of its members. G.A.P. FCU is committed to protecting the online privacy of the children who visit its website and to complying with the Children's Online Privacy Protection Act.

IF YOU ARE UNDER AGE 18, ALWAYS GET A PARENT'S PERMISSION BEFORE GIVING OUT ANY PERSONAL INFORMATION ABOUT YOURSELF.

- G.A.P. FCU does not knowingly collect personally identifiable information from children under the age of 18, including "cookies" during website visits
- Because we do not collect the above-mentioned information from children under 18, we do not distribute any such information to third parties
- G.A.P. FCU does not condition the participation of a child in any Kids' Page activity on the provision of any unreasonable personally identifiable information
- If any personal information is collected for an event or contest including name, address, phone number and e-mail address, this information is used to notify winners and is not sold to third party vendor

The G.A.P. FCU Kids' Page may include links to the external websites of others, including amusement parks, area attractions and merchants that provide products for children. These external sites are not part of G.A.P. FCU's services, are not under our control, and may not comply with applicable law. Because these external websites may have privacy policies that are different than G.A.P. FCU's, please consult the privacy policies of any website that asks for personally identifiable information before providing it.

Parents should review online activity and can ask to have any personal information from the child deleted and may refuse any further collection or use of the child's information by G.A.P. FCU. In turn, G.A.P. FCU may terminate any service provided to the child, but only if the information at issue is reasonably necessary for the child's participation. For example, if a child is entering a contest, the child's name, address, phone number, and possibly e-mail address (if the contest is a website only contest) would be necessary for participation for notification purposes; submission of hobbies would be deemed unnecessary and optional information.

If you have any questions about this privacy policy, please do not hesitate to contact us at (814) 535-4165 or info@gapfcu.org.
