Welcome

We invite you to be involved in our 12th annual charity golf tournament, whether it be as a sponsor or just a golfer. The day will consist of golf, food, and various prizes and awards.

Every year we choose a charity that benefits our surrounding areas. This year we are raising money for the YWCA Karen Kleinosky Scholarship Fund.

The YWCA Karen Kleinosky Scholarship Fund is open to females that are high school seniors and are looking to further their education.

Karen Kleinosky was a Branch Manager with First National Bank and is where she created a relationship with G.A.P. FCU as our Account Representative. She also served on the Board of the YWCA Greater Johnstown. During her time with the YWCA, she started the first Women's only Golf Outing that benefited the YWCA Greater Johnstown and ran the successful outing for many years.

Karen succumbed to Breast Cancer after a valiant 5+ year fight. She was an independent woman who encouraged other women to be the best they could be.

The YWCA Board of Directors chose to honor Karen Kleinosky by starting this Scholarship Fund at the Community Foundation in the hopes they could extend her legacy into the future.

The first scholarship was given out in May 2022. The YWCA Board originally funded the Community Foundation scholarship with \$11,000.00 in late 2022. The goal is to build up the fund so an annual scholarship of \$500.00 can be given in her honor into perpetuity.

With your help, we would like to be able to beat our donation records in the past to be able to donate to this scholarship fund to keep Karens memory alive and to follow her dreams of helping young girls in our area achieve their own dreams.

All of us here at G.A.P. FCU are looking forward to this year's golf tournament and raising funds to go straight to the YWCA Karen Kleinosky Scholarship Fund, which in return puts it back into the local community to help those in need.

Thank you and we hope to see you on September 23rd!
